*\*1496 recompense inches = 402 trees to be planted in GP  
Chart updated with full species list 10/26/17*

- 172 total trees to be removed
- 41 (24%) of the trees are Dead, Diseased or Hazardous and will come down regardless of the project.
- 131 healthy trees to be removed
- 80 (61%) of the healthy trees are in the PAVED parking lot
- 21 (16%) of the healthy trees are along Boulevard
- 75 of the healthy trees (57%) are mid-canopy or understory trees – with the majority of those being Crepe Myrtles. Crepe Myrtles make up 1/3 of the healthy trees being removed.
- 402 trees are being planted back into Grant Park to replace the trees being removed.
